

**Tech Fund Funding Alternatives Meeting
17 January 2013, 4pm-5pm
Bissell Room 415, 140 St. George Street, Toronto**

Attendance: Audrey Johnson, Jessica Gallinger, Emily Porta

- Jessica brought up the funding issue at the council meeting, and Robyn said she could suggest alternatives, including maybe getting some partnership with IBM
- IBM is on list of possible partners, money could come from them for larger reasons, but this is also way down the road, and we wouldn't be the only thing they'd ask for
- Audrey will keep her eyes open for either in kind donations or sources of funding for us
- in kind gifts might be more doable but they won't be a very large donation ever
- **compile a list of things we plan to buy and would like to have, and our budget, include workshops and tech and send to Audrey**
- discussion of MISC reserve fund
- Audrey will be here for at least one year
- meeting adjourned 4:27pm
